EUROPE'S MANUFACTURING
INDUSTRY CEOs CALL
UPON HEADS OF STATE TO
**STREAMLINE 2030 STRATEGY
TOWARDS GROWTH AND JOBS**

9 June 2014

List of CEOs representing the EU Manufacturing Industry signing IFIEC Europe's Manifesto

We, the undersigned CEO's of Europe's major manufacturing industries, call upon the Heads of State and of Government to adopt a set of measures for Europe to align the EU's industry, energy and climate policies and to reach the EU's objectives for a low-carbon, globally competitive European industry, in a way that guarantees regulatory stability, consistency and predictability for industrial investment, innovation, growth and jobs in Europe.
